Time Period:	September thru June
Meeting Times:	Sept-June: We typically meet on the 3 rd Thursday each month in Aux Cafeteria, Jan-Apr: 1/week in room 208 from 2:30 pm- 3:20 pm - for individual competitions
Membership Requirements:	Must be scheduled in a technology education class or have taken a technology class in the past- all classes in the CTE department, music production, sewing, computer apps etc
Activity Description:	TSA chapters take the study of STEM (science, technology, engineering, mathematics) beyond the classroom and give students the chance to pursue academic challenges among their peers with similar goals and interests. Together, chapter members work on competitive events, attend conferences at the state and national level and have a good time working to get there. Chapter organization develops leadership, as members may become officers within our chapter, state and then run nationally. We currently hold over 12 national titles and over 60 state titles.
Activity:	Technology activities and prepare for competitions including architectural, engineering, web page design, Video Game, Robotics, TV/media, CO2 car, flight, graphics, photography, fashion design, and many more
