

<b>Robotics Club</b>	
Advisor:	Ms. Guyer
Contact:	<a href="mailto:guyerro@clearviewregional.edu">guyerro@clearviewregional.edu</a>
Time Period:	September thru April
Membership Requirements:	All club students: Mondays 2:30 – 3:15 First Tech Challenge Team Members: Mondays, Wednesdays and Fridays from 2:30 - 3:15 minimum Meets and qualifiers on Friday afternoons, Saturdays and/or Sundays
Activity Description:	Club - open to all students FTC Teams – 15 students max with parent permission slip (2 teams)
Activities:	The club will work together to set goals for themselves and explore their interests in robotics in an informal setting. The FTC team will compete in the First Tech Challenge, a sports-like robotics competition. Students will build and program a robot, document their progress, promote the club, fundraise, and hold community outreach events.
	Practice gracious professionalism while learning and enjoying friendly competition
