Follett Shelf™

Getting Started with eBooks in Follett Shelf

It's easy to find, check out, and access eBooks with Follett Shelf. You can even save notes, highlights, and bookmarks that you can access after you return the eBook.

Log In

Go to <http://wbb03556.follettsshelf.com>

then ...

Login.

Enter your Follett Shelf username and password, and click **Log In**.

Note: If you know your school's Follett Shelf URL, you can go directly to the Follett Shelf login page by entering the URL in your browser's search field.

To read on a mobile device... *after* downloading the apps...

Follett

Accessing eBooks with the
Destiny Quest Mobile and
BryteWave™ K-12 Edition Apps

School name:

Step 1: Logging In to the BryteWave™ K-12 Edition app

- Download and install the BryteWave K-12 Edition app from the App store or Google Play.
- Launch the mobile app.
- Enter your **User Name** and **Password**. (not nickname or shortened name)

User Name: Firstname Lastname
Password: 5 digit lunch code

- Enter the Follett Shelf URL:
- If you are on a private/safe/secure device and want to skip steps C and D next time you access the mobile app, select the **Stay logged in** checkbox.
Check this option if you're on a private/safe/secure device.
- Tap **Log In**.

Note: BryteWave K-12 Edition is a new app and not an update to previous Follett Reader apps. If you are currently using the Follett Digital Reader app, please uninstall it and download the new BryteWave K-12 Edition app.

Step 3: Searching for and checking out an eBook from the Destiny Quest mobile app

- Search for the eBook you want to read. eBooks will appear with a green "E" icon. 
- Tap the eBook search result, and then tap **Open in browser**.
- Tap on the eBook cover or the **Open** button, and then tap **Checkout and Download Now**.

Step 4: Reading a Checked out eBook

- Tap the eBook cover to open and read the book.
- To return to **My Checkouts**, tap the **Bookbag** menu option. If you don't see your latest checkouts, tap **Synchronize** from the menu.

Note: To access a checked out eBook and corresponding notes from another device, you need to move the book back online. From the **My Checkouts** screen, tap **Move Online**. You must be online to synchronize your checkouts and download eBooks.
