

# USING CRHS EBOOKS

## The apps...

Using CRHS eBooks requires **BryteWave Reader 3.0** or later.

For reading on your tablet or smartphone, the Follett eBooks require the latest **BryteWave K-12 Reader app**, which allows for online or offline reading on computers and **Apple, Android, Kindle** and **Nook** supported devices.

### Reading Your eBooks:

With our custom **BryteWave™ K-12 Edition** reader, you can read your favorite ebooks anywhere — whether you're using the computers at school or reading on your iPad at home. The BryteWave K-12 Edition reader also gives you the ability to take notes and add bookmarks in the eBooks you're reading.

### The eBooks also support:

- Limited Copy/Paste
- Searching
- Highlighting
- Dictionary
- Textflow
- Limited Printing
- Text-to-Speech (Computer Only)
- Reflowable Content (Requires the BryteWave K-12 Reader app 3.0 or later)

Note: You must *also* install the **Destiny Quest** app. from **Google Play** or the **Apple App store**.

### Installation Options:
