

Smart Fun. The Engineering Summer Camp at Widener

Ready?

If you're interested in engineering, Widener's summer camp is the perfect place to start exploring. We'll introduce you to this exciting field through the eyes of our top-ranked engineering program.

Set.

Widener's Engineering Summer Camp is *serious* fun. You'll make concrete blocks, launch soda bottle rockets, and explore the fields of chemical, civil, electrical, mechanical, and biomedical

engineering. You'll experience computer workshops, demonstrations, films, laboratory exercises, discussion groups, and presentations in a nurturing, non-competitive, hands-on environment.

Go!

June 22–25, 2015 (Day & Resident Camp) Sessions meet from 9 a.m.– 4 p.m. Tuition is \$450 per session, which includes all laboratory materials and lunches. Students enrolled in the resident camp will be charged an additional \$450, which includes room

and board as well as evening activities.

For more information, call 610-499-4037 or visit www.widener.edu/engrsummercamp

Please contact Maria Wochele at 610-499-4037 at least two weeks prior to the event to request disability accommodations. In all situations, a good faith effort (up until the time of the event) will be made to provide accommodations.
