

Welcome to Clearview!

The NEW Student Registration Portal is now open. The system is a secure and green process, which allows the district to verify all student demographic, emergency and medical information for your child prior to the start of the new school year. The system will also allow you to electronically sign the annual permission forms for school district policies. In short, this online process virtually replaces all the hard copy student registration and permission forms that your student(s) bring home on the first day of school.
